SHRI G. SWAMINATHAN (Tamil Nadu): Please permit me, Sir. The point is that the Vohra Committee Report has generally explained things. But the papers report that some of the politicians have been mentioned in some of the Reports. That is what the papers have said. So, we are interested to know whether anybody has been implicated, any names have come out or it is only a general thing. That is what we are mainly interested in. If somebody has been implicated or some names have been mentioned ..... *(Interruptions)...* Please, please, I am talking to the Minister. Unfortunately, you are not the Minister. So, you please don't reply.

SHRI V. NARAYANASAMY (Pondicherry): I do not want to certificate for it.

SHRI G. SWAMINATHAN: You are not a Minister. When you become a Minister, you can reply. I am talking to the hon. Minister. The only point we are interested in, Sir, is to know whether any names have been mentioned or have cropped up. That is the thing we are more interested in. We are also interested in the general aspect of the Vohra Committee Report.

SHRI S.B. CHAVAN: Whatever has been stated in the Report, that itself is complete. There is no other information with the Government. There are a number of things which are happening, and he has given in very general terms about what his findings are. Actually, this was the kind of paper which should have been circulated for our internal exercise. But this has been placed on the Table of the House, and nothing is there excepting the kind of Report which he has given.

श्री जगदीश प्रसाद माथुर : आज प्रातः प्रश्न-काल में आपने फरमाया था कि कमेटी बनाई है । फालो-अप के लिए । यदि कमेटी बना दी है तो हम लोगों को मालूम हो जाए कि कौन सी कमेटी बनी है, कौन-कौन मैम्बर्स हैं, कमेटी का नाम क्या है ? बताने की स्थिति में हों तो श्रीगणेश अभी कर दीजिए।

श्री एस0 बी0 चव्हाण : ऐसा है कि मुझेलगता है कि आप बहुत अटेन्टिव रहते हैं हाऊस में लेकिन यह सारी चीज़ में हाऊस में बता चुका हूं । इसी हाऊस में बताया है । हां, हां नाम भी लिया है । शायद उस वक्त आप नहीं होंगे।

श्री जगदीश प्रसाद माथुर : धन्यवाद।

श्री एस0 बी0 चव्हाण : जो कमेटी के मैम्बर आज हैं, उस वक्त जो कमेटी के मैम्बर थे, वही कमेटी के मैम्बर इसमें भी रहेंगे जो इसका फॉलो-अप ऐक्शन देखेंगे।

RE: BOMB BLAST IN TAMIL NADU

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): Shri Narayanasamy, you are not finishing your speech?

SHRI V. NARAYANASAMY: Yes, yes, I am going to complete within 3-4 minutes Sir, the general feeling is that and also, it is my worry that, for the last one year or even more than that, the entry of the militants, especially the LTTE militants...*(Interruptions)*

SHRI G. SWAMINATHAN: The hon. Minister, Shri Rajesh Pilot ...*(Interruptions)...*

SHRI V. NARAYANASAMY: You are not the Minister, the Minister will reply.

SHRI G. SWAMINATHAN: It was reported in the press that you have criticized Tamil Nadu. Now, you are saying that you are not criticizing Tamil Nadu. We want to know your position.

SHRI G. SWAMINATHAN: You please tell us your position.

THE MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS (SHRI RAJESH PILOT): Mr. Vice-Chairman, Sir, I had gone to Hubli on a function of Seva Dal, where we had spoken about the insurgency in various parts of the country. I had mentioned that the LITE might not be taking the South as a real base, they may not be raising their heads so visibly, but we have been sharing with the State Government whatever information we are getting about the activities of the LTTE in the southern parts of the country, that is, Tamil Nadu and the adjoining coastal areas. And I have also said that we have told the State Government that whatever co-operation is needed, the Central Government will extend it totally, and we have been extending it, but these activities must be curbed at this stage so that they do not crop up in a more matured form. And that is what I have said. I think, some of the papers wrongly reported that the Government is supporting the LTTE activities. Some papers, the 'Hindu' or somebody, put it. The next day, it was clarified by the Department. But, let me assure you that we are co-operating with the State Government totally in whatever way we could, whatever they needed from us—sharing the information, coordinating the operation and in whatever way. I had taken a meeting with the State Chief Minister. That is all I have said. But let us be very serious about it that LTTE is trying to be active in this part in spite of our efforts. And" we must all be careful. It is a national issue, and we must all join hands together to curb the LTTE activities in that part.

SHRI G. SWAMINATHAN: The State Government... *(Interruptions)* Please permit me. The State Government is as milch concerned. The hon. Chief Minister is the first person who wanted the extradition of Prabhakaran from there. After two years only, you have taken action. Sir, we wanted the ban on LTTE. I have spoken in this House. The Chief Minister has spoken on this. We arc as much concerned about the LTTE. She is risking her life in attacking the LTTE.

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): I have called Mr. Narayanasamy.

SHRI G. SWAMINATHAN: Unfortunately, your statement has been misrepresented in Tamil Nadu as if you have said that this thing has happened. They are unnecessarily creating a problem. *(Interruptions)* The political problem is one thing. They are trying to put this in your mouth. The whole papers have published it. Even after you have denied it, this gentleman,. Mr. Narayanasamy is talking in this very House of LTTE connection with the AIADMK, whereas the AIADMK has been totally against the LTTE. We have been asking for the extradition of Prabhakaran. We have been asking for ban of LTTE. Actually, the Central Government has been delaying action.

SHRI V. NARAYANASAMY: Can Mr. Swaminathan deny in this House that three bomb blasts took place?

SHRI G. SWAMINATHAN: Sir, bomb blasts have taken place in Maharashtra. More bomb blasts have taken place in Maharashtra than in Tamil Nadu. *(Interruptions)* They have said that the previous Congress Ministers of Maharashtra were speaking on phones to the smugglers. And everything will come out tomorrow. Mr. Narayanasamy, what is it you are doing? Your Congress people were putting so many phone calls to the smugglers and they were having connections with the underworld dons in Maharashtra. *(Interruptions)* And you don't have a face to talk to us as if bomb blasts took place only in Tamil Nadu. What are you doing in Jammu, in Kashmir: The whole Jammu is sitting on a powder keg. *(Interruptions)*

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): Mr. Narayanasamy, please be brief.

SHRI V. NARAYANASAMY: Sir, I am expressing my concern to the bon. Home Minister because it is a very serious matter. Now there is fighting going on in Sri Lanka. The LTTE militants are trying to escape from there and coming over to Tamil Nadu. That is my concern. He is not understanding, and his Chief Minister is not understanding. They are trying to enter here...

SHRI G. SWAMINATHAN: Do you want to give protection to Tamil people or not? Do you want to give protection to women and children or not? What should we do? You please tell us.

SHRI V. NARAYANASAMY: Millitants are trying to enter into Tamil Nadu. Already they have used Tamil Nadu as a base.

SHRI G. SWAMINATHAN: Suppose there is an influx of refugees. How do you deal with the refugees? You please tell us. *(Interruptions)*

SHRI RAJESH PILOT: Members must give something to the Government also. We are vigilant. We are careful. We shall not allow any such activities to happen which will be anti-national and are not in the national interest. We are not sitting on the desk. We are having a close watch. Any time we feel that some activity is not in the national interest, we shall not allow it to happen. Mr. Narayanasamy, rest assured about it.

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): Mr. Narayanasamy, please make your submission.

SHRI V. NARAYANASAMY: Sir, now that three bomb blasts took place, I would like to knows..

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): You have to speak[1] about the bomb blasts only.

SHRI V. NARAYANASAMY: I am speaking about the bomb blasts only. Sir, three bomb blasts took place in the month of July. The Tamil Nadu Government has not taken any action.

SHRI G. SWAMINATHAN: The I.S.I, people from Pakistan are indulging in these things here. How can we control *(Interruptions)* It is the Central Government which has to control the activities of these people. The Government of India has to see that these things do not happen. *(Interruptions)* As it happened in the case of Bombay, the I.S.I, people are coming in and creating trouble in Tamil Nadu also. *(Interruptions)* It is the Government of India which has to intervene and take steps. *(Interruptions)*

SHRI V. NARAYANASAMY: It is a very crucial matter. Sir, why am I raising this matter? The other day, in Vazhapadi village in Salem District, two groups of A.I.A.D.M.K. men threw bombs at each other. This is a fact.

SHRI MISA R. GANESAN (Tamil Nadu): Never in the history of Tamil Nadu such a thing had happened two groups belonging to the same party throwing bomb at each other. He is talking about Bombay. *(Interruptions)*

SHRI V. NARAYANASAMY: The hon. Home Minister should come forward with a statement on it. *(Interruptions)*

SHRI G. SWAMINATHAN: Sir, this is a law and order problem of the State. This is just a clash between two groups of party people, the two groups trying to attack each other. *(Interruptions)* This is not a matter to be raised in Parliament. *(Interruptions)* This is a State law and order problem. *(Interruptions)* Such things happen everywhere. *(Interruptions)*

SHRI V. NARAYANASAMY: Sir, Sri Lanka is on fire. I am only anxious that Tamil Nadu should hot become another Sri Lanka. This is my worry. That is why I am raising this. They are not understanding.

SHRI G. SWAMINATHAN: We are understanding.

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): Mr. Muthu Mani. *(Interruptions)*

SHRI MISA R. GANESAN: Sir, I fully associate myself with what Mr. Narayanasamy has said. The bomb culture is now prevalent in Tamil Nadu. This is a serious thing. Mr. Narayanasamy mentioned about the Vazhapadi incident. In that incident, two groups belonging to the same party threw bombs at each other. *(Interruptions)*

SHRI G. SWAMINATHAN: It was the D.M.K. which had encouraged this gun culture. *(Interruptions)*

SHRI MISA R. GANESAN: Let them say that such an incident did not take place. *(Interruptions)* This was a clash between two groups belonging to the same party because of election enmity. One group threw bombs at another group. Eight persons were killed in this bom-throwing incident. I fully associate myself with what Mr. Narayanasamy has said. *(Interruptions)*

SHRI G. SWAMINATHAN: I do not know how he can say this. It was only during their period. *(Interruptions)* It was only during the regime of the D.M.K, that this arms culture came up. It was the D.M.K. which supported the L.T.T.E.

THE VICE-CHAIRMAN (SHRI SURESH PACHOURI): Now, Mr. Muthu Mani. Only Zero Hour submission, please.

श्री जगदीश प्रसाद माथुर : (उत्तर प्रदेश) एक मिनट लूंगा। पायलट साहब ने बात ठीक कही हैं। मैं और मेरी पार्टी के साथी बम ब्लास्ट की जगह को देखने के लिए गझे थे। वहां मुख्यमंत्री से हम नहीं मिले। अगर मिलते तो शायद उसके पालिटिकल अर्थ निकल सकते थे। लेकिन बहुत से अधिकारियों से हमारी भेंट हुई। मेरा जो एक पर्सनल इम्प्रेशन हैं वह मैं आपको बताना चाहूंगा। सेन्ट्रल इंटेलीजेंस एजेंसी और स्टेट इंटेलीजेंस एजेंसी के बीच में जैसा सौहार्द और समन्वय होना चाहिए वह नहीं है। यह मेरा इम्प्रेशन है। इसको

कृपया आप देख लें। सीबीआई ने अभी अपना काम पूरा नहीं किया। आज दो साल होने को आये हैं एक भी आदमी पकड़ा नहीं गया। जो भाग गये हैं उनको पकड़ नहीं सकें हैं। आपने 14 के ऊपर केस दायर किया है। उसमें से 5 फरार हैं जो मुख्य है। उनकी अभी जानकारी नहीं मिली है। उनको पकड़ने की कोशिश की जाए। अगर दोनों एजेंसियां मिल कर काम करें तो अच्छा है।

जो नाराणसामी जी ने कहा ठीक है। चिंता यह है कि तमिलनाडु श्रीलंका जैसा, जम्मू-कश्मीर जैसा या पंजाब जैसा न बन जाए। लेकिन एक सरकार दूसरी सरकार पर आरोप लगाती रहे इसकी कोई आवश्यकता नहीं है। सरकार किसी की भी हो सकती है लेकिन इस मामलें में एक है। मेरा निवेदन है कि आप दोनों एजेंसियों में समन्वय स्थापित करें तो अच्छा होगा। आनेस्टली जो मेरा इम्प्रेशन था वह मैंने बता दिया। अफसरों के नाम बताने की आवश्यकता नहीं है। They have this complaint.

RE. DISCRIMINATION AGAINST CANDIDATES OF NON-HINDI-SPEAKING STATES IN THE CIVIL SERVICES EXAMINATION

SHRI S. MUTHU MANI (Tamil Nadu): Mr. Vice-Chairman, Sir, thank you for providing me this opportunity to make this Zero Hour mention.

Through this Zero Hour submission, I wish to bring to the notice of the Government a very serious situation wherein candidates from the non-Hindi-speaking States have been placed at a great disadvantage in the Civil Services Examination. Every year, the U.P.S.C. conducts the Civil Services Examination for selecting candidates for the coveted I.A.S., IPS. and allied

services. Some 800-900 candidates are selected even year through this examination. But the scheme of this examination is devised in such a way that candidates from the non-Hindi-speaking states, particularly, from Tamil Nadu, are placed at a great disadvantage *vis-a-vis* candidates from the Hindi belt. The Government makes tall claims that the candidates are free to opt for any regional language as the medium of the
